DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.

2. The following is an examiner's statement of reasons for allowance: as to claims 1-20, patentability resides, at least in part, in the heat dissipating device being disposed on the first substrate relative to the process unit with the second substrate being disposed on the first substrate relative to the process unit, in combination with the other limitations of the base claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
